Excerpt from Simple Farm Accounts: A Text Book and Guide This book has been prepared to meet the demands of practical thinking farmers and also to be used as a textbook in rural schools. It is hoped that the results of its study will be the basis of more profitable farming. It is desired to make it possible for both young and old to meet practical farm operation in an easy and businesslike way. Further, the book will show the simplest recognized method of record-keeping for farms for the purpose of studying the farm business and also for the purpose of making income tax returns. The second part of the book shows the forms used, and illustrative entries from an actual farm are presented. Separate account books, following the outline here presented, may be secured from the Extension Division of the Agricultural College of North Dakota. In which the record of the business of any ordinary farm may be kept. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
