*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Barron s Educational Series Inc.,U.S., United States, 2017. Board book. Condition: New. Language: English . Brand New Book. An endearing, unforgettable story that helps children realize you don t have to be exactly alike to be best friends. In some ways we re different. I m big and Moe s little. I can hula hoop. He just stands in the middle. So begins this charming book, filled with endearing illustrations and funny text, about two very different characters. A guinea pig and his friend, Moe, have lots of traits that make them stand out. Most of the time, they aren t alike at all, but it s those differences that make them such great friends. Children will love seeing that true friends can be delighted by people who aren t just like them except in all the ways that really matter.
