Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

HUNTING FISHING CARTOONS - CLASSICS

Richard Stubler, United States, 2007. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Once in a lifetime an artist rises above the rest to be regarded as the best in his profession. One of the All-Time Greats. A Living Classic. Although he won't admit it, such is the case with cartoonist R. Stubler. Since his early youth he honed his outdoor skills in the hills and streams of Pennsylvania. As he grew to know and love the outdoors he developed a keen eye and appreciation of its wonderful beauty and magnificent animal life. And then he turned it upside down. Armed with pen, paper and a wit as keen as his outdoors knowledge, Stubler's cartoons began to present this world in a whole new light: where the deer, and bear and turkey constantly outwit the hunter, the fish out angle the angler and Mother Nature herself seems to get in on the joke. Drawn with his trademark, crisp linear style, there is never any need to scratch your chin and think twice to get the laugh. It is right up front (or maybe in the background), and whether you are an everyday outdoorsman or have ever spent even the briefest time hunting or fishing, you might see yourself in some of these situations. As his son, I have been blessed to not only spend time in the woods and waters with him, but also in the studio, where I have seen a cartoon grow from just a quick thumbnail sketch to a bonafide Classic. R. Stubler has been making people laugh for 50 years, and his new cartoons are as fresh and funny as ever. I don't know where they come from, but they keep coming, he...
