Leadstart Publishing Pvt Ltd, India, 2012. Paperback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.The book dissects the consciousness to break the myth of the static mind. The realities of existence and the forces that question the controversies in the mind invoke reactions and impact the beliefs. The digression from the values and ethics distort the truth disturbing the ideology and placidity of the mind resulting in Karmic Illusions. Karmic realization initiates a positive vision to once again establish the principles of inner expressions or the dharma of origin. That all subjects have a defining tenet, the perception is influenced, resulting in reflections that can have undefined time. Only when there is transcendence of spirit through understanding the conditional realities and the impelling impermanent influences, that one attains Nirvana. The invoking of the soul brings forth the fundamentum inconcussum that shows the rational Being, when the seed of birth is revealed. All panic states stand corrected once the source is understood, devoid of fallacies. Only the soul can show the breath of life in the correct discipline. Though relativity might exist vis-a-vis the values, only by making our conscious pure can a person give up the skeptic arguments and rising doubts regarding the beliefs. Ignorance leads to confusion and one is led astray from truism, draining the self of all evaluative capacity - destroying the evidence of strong judgments. The reality then is a result of suppositions borne of Karmic Illusions that are against one's universal principles or dharma. The scope is to transform the subjective associations in the mind to a non dual state where reasoning is not dead reckoning. By nature the individual is reticent and thus the spirit remains enmeshed in trivialities. There is realization of...
