Curing Analytic Pathologies: Pathways to Improved Intelligence Analysis (Paperback)

By Jeffrey R Cooper, Center for the Study of Intelligence

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. FROM THE AUTHOR: As a result of a number of analytic projects for different intelligence agencies, a major focus of my work during the past several years has involved examining the practice of analysis within the US Intelligence Community. This study was prompted by a growing conviction-shared by others, to be sure-that improving the analytic products delivered by Intelligence Community components had to begin with a critical and thorough appraisal of the way those products are created. A conversation with a physicist friend in 2002 had triggered thoughts on several basic differences between the practice of science and intelligence analysis. Shortly thereafter, an invitation to give a seminar on intelligence analysis at Stanford University led me to prepare a briefing entitled Intelligence and Warning: Analytic Pathologies, which focused on a diagnosis of the problems highlighted by recent intelligence failures. As Donald Stokes noted in his seminal book on science and technological innovation, Pasteur's Quadrant, Pathologies have proved to be both a continuing source of insight into the system's normal functioning and a motive for extending basic knowledge. The Analytic Pathologies...
