Parthian Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. While in Barcelona translating a best-selling Italian book, Blanca identifies so much with the main character - a woman whose husband is unfaithful - that she begins to doubt her own husband. Her fears turn into obsession, and she is compelled to travel to Sicily to meet the book s author and discover where his story came from. But once in Sicily, can she remain faithful herself? And how will she deal with a novel based on true life - taken directly from the author s ex-wife s diary and now from her own unravelling story? Blanca is faced with questions about marital loyalty, blind faith in friends and family and belief in her own career, to the point where she must make some of the hardest decisions of her life. From Barcelona to Sicily and back, Look me in the Eye is full of sun and sex, desire and doubt, fidelity and infidelity. Blanca is torn between both people and places. Whose side are you on?.
