Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Beautiful Flower Garden: Its Treatment With Special Regard for the Picturesque; Written and Embellished With Numerous Illustrations by F. Schuyler Mathews; With Notes on Practical Floriculture We should seek to display the whiteness and purity of the lily in the garden, and not trouble ourselves so much about the shape of the brown earth patch from which it grows. The dainty pink of the rose is not enhanced by the star shape of the garden bed beneath it, nor is the delicate blue of the forget-me-not any prettier when the little plants are jammed together in compact masses. Such methods for laying out a garden do not add to its beauty, in my opinion, nor, for that matter, do they detract from the beauty of the flowers; but what is completely lost sight of, is the lesson which nature teaches by every wild flower in every sunny vale and woodland dingle; that is, that light and shade color and form, freedom and grace, and simplicity are the crowning elements of loveliness in Flora's world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
