Orion Publishing Co, United Kingdom, 2005. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Across the western world more and more people are slowing down. Slower is better: better work, better productivity, better exercise, better sex, better food. DON T HURRY, BE HAPPY. Almost everyone complains about the hectic pace of their lives. These days, our culture teaches that faster is better. But in the race to keep up, everything suffers - our work, diet and health, our relationships and sex lives. Carl Honore uncovers a movement that challenges the cult of speed. In this entertaining and hands-on investigation, he takes us on a tour of the emerging Slow movement: from a Tantric sex workshop in London to a meditation room for Tokyo executives, from a SuperSlow exercise studio in New York, to Italy, home of the Slow Food, Slow Cities and Slow Sex movements.
