

## The Time of the I (Paperback)

By MR Tony Iommi

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. It had been just over eight months since the first reported sightings of the larger insects appeared seemingly out of nowhere and subsequently the arrival of more, varied and never before seen giant species had continued with gusto across the globe. The first of the creatures to surface was Lasius Niger. The common black ant. When they emerged from beneath the soil and foraged vivaciously for food, decimating wild stock and remote communities. Entomologists reports revealed that there had been no prior premonition or warning of their arrival or suggestion of just how or as the main question was asked, why they had grown to such a large size although many theories emerged. These ants which normally were only millimetres in size were now the size of large ferocious, acid spraying dogs. In governments around the globe no civil contingency plans were ever conceived or created for an event of this nature or magnitude and inappropriate major incident plans once initiated by panicking governments and followed to the letter by confused military leaders and strategic commanders failed catastrophically. No minister in...
