Reviews

The book is not difficult in read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

Henry Press, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What does Eli Marks have up his sleeve this time? Well, let me tell you, no matter the mystery, his sleight of hand always does the trick. Eli's trip to London with his uncle Harry quickly turns homicidal when the older magician finds himself accused of murder. Not Uncle Harry! A second slaying does little to take the spotlight off Harry. Instead it's clear someone is knocking off Harry's elderly peers in bizarrely effective ways. But who? The odd gets odder when the prime suspect appears to be a bitter performer with a grudge who committed suicide over thirty years before. While Eli struggles to prove his uncle's innocence--and keep them both alive--he finds himself embroiled in a battle of his own: a favorite magic routine of his has been ripped off by another hugely popular magician. What began as a whirlwind vacation to London with girlfriend Megan turns into a fatal and larcenous trip into the dark heart of magic within the city's oldest magic society, The Magic Circle. No one does intriguing magic and page-turning humor like John Gaspard. Pick it up and see if you can figure out the trick first. ----- THE LINKING RINGS by John Gaspard - A Henry Press Mystery. If you like one, you'll probably like them all.
