

Rethinking Poverty Income, Assets, and the Catholic Social Justice Tradition Catholic Social Tradition

By James P. Bailey

University of Notre Dame Press. Paperback. Condition: New. 192 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. In Rethinking Poverty, James P. Bailey argues that most contemporary policies aimed at reducing poverty in the United States are flawed because they focus solely on insufficient income. Bailey argues that traditional policies such as minimum wage laws, food stamps, housing subsidies, earned income tax credits, and other forms of cash and non-cash income supports need to be complemented by efforts that enable the poor to save and accumulate assets. Drawing on Michael Sherradens work on asset building and scholarship by Melvin Oliver, Thomas Shapiro, and Dalton Conley on asset discrimination, Bailey presents us with a novel and promising way forward to combat persistent and morally unacceptable poverty in the United States and around the world. Rethinking Poverty makes use of a significant body of Catholic social teachings in its argument for an asset development strategy to reduce poverty. These Catholic teachings include, among others, principles of human dignity, the social nature of the person, the common good, and the preferential option for the poor. These principles and the related social analyses have not yet been brought to bear on the idea of asset-building for...
