Reviews

This publication is definitely not effortless to get going on reading through but really exciting to read through. it was actually writtern really properly and beneficial. I am just very easily could get a delight of reading through a created publication.
(Gino Jerde Jr.)

INFECTIONS AND ATHRITIS

Springer. Paperback. Book Condition: New. Paperback. 182 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. The relationship between infection and arthritis has occupied the attention of everybody throughout the history of investigative rheumatology, no less today than formerly. The present issue is a compilation of essays reflecting some of the facets of this particular diamond and I am especially grateful to authors and publishers alike in the unusual and tragic circumstances which attended its preparation. We were all stunned and saddened by the untimely death of Professor John Calabro which deprived us of a good friend and wise counsellor as well as a much esteemed professional colleague. Prof. Calabro's contribution to medicine was considerable, spanning highly individual, exemplary and caring clinical management, enthusiastic charismatic teaching at all levels and major contributions to research particularly in the field of juvenile arthritis. As with Robert Burns, whose works John knew, when will we see his like again. A personal sadness is that I was looking forward to welcoming John and his wife to Geordieland. There is a strong tradition of the highest level of competitive ballroom dancing here and John was looking forward to visiting us and demonstrating the considerable skills which he and his wife displayed in this arena. To his wife and family we all extend our heartfelt condolences. W. CARSON DICK 1. Atkin, S., Walker, D., Mander, M., Malcolm, A. and Dick, W. Carson. (1988). Observation on the causes of rheumatoid arthritis. Br. J. Rheumatol., 27 (Suppl. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
