Discover the Mystery of Alexander Phoenix The story of Alexander Phoenix is based on the true life of the eighteenth dynasty Egyptian Pharaoh Akhenaton who changed art, architecture, abandoned the old polytheism religion and introduced a one god religion. Although he was labeled a heretic by many, his legend lives on in his art, poems and the mystery of his teachings. Combined with the mythical Phoenix, a bird found in almost every ancient culture, the story is pure enchantment that will delight all ages. Not since Richard Bach s bestselling book, Jonathan Livingston Seagull, has there been a story that touches the heart and teaches the seven lessons of spirit and truth until now. Alexander Phoenix rises up from the ashes to find one student of Light in the world. This proves to be a difficult task for Alexander due to the powerful Egyptian priests who despise the phoenix. Then one day Alexander finds his student, a strange young prince named Akhenaton, writing beautiful poems by the River Nile and the rest is history. Alexander teaches the Seven Virtues of Life: 1. Patience 2. Courage 3. Truth 4. Faith 5. Love 6. Compassion 7. Honesty According to the Egyptian hieroglyphic message discovered by the River Nile in recent times and translated freely, the Phoenix Fire Bird existed in ancient times and will one day return when humans believe in the Mystery again.
