Serenissima Music, 2012. Paperback. Condition: New. Language: Latvian . Brand New Book ***** Print on Demand *****.This work was once credited to Mozart but later discounted as being by him and attributed instead to the composer Jan Zach (1699-1773). Recent Zach scholarship has largely discredited the idea of Zach being the composer. In any case, this work has remained quite popular for good reason regardless of who the actual composer may have been. This new, beautifully engraved vocal score edited by Richard Sargeant will be welcomed by choruses worldwide interested in performance or study of this delightful piece of Latin church music from Mozart's time.
