Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Salamandra, S.A., Publicaciones y Ediciones, Barcelona, 2014. Rustica. Book Condition: Nuevo. 1. colección: Letras de bolsillo número de colección: 186 Español 352 páginas / pages 20 largo 13 ancho La última novela de Nicole Krauss -autora de La historia del amor, que fue traducida a treinta y cinco idiomas y la situó en el panorama de la literatura internacional- es una nueva aproximación al insondable tema del amor, la memoria y la pérdida. El insólito protagonista es un viejo escritorio que pudo haber pertenecido a Federico García Lorca y que se vuelve un objeto de fascinación o repulsión para aquellos que conviven con él. El imponente mueble, uno de cuyos cajones está siempre cerrado, se torna así el hilo conductor entre los distintos ámbitos donde se desarrolla la novela. En Nueva York, una escritora ha estado utilizándolo desde que en 1972 se lo prestó un poeta chileno, Daniel Varsky, víctima de la policía secreta de Pinochet. Un día, una mujer que dice ser la hija de Varsky reclama el mueble, y la vida de la escritora ya no será la misma. En Londres, un hombre descubre el secreto que durante cincuenta años le ha escondido su esposa. Y por último, una joven norteamericana que estudia en Oxford traba amistad con una excéntrica pareja de hermanos cuyo padre es un anticuario israelí especializado en recuperar muebles expoliados por los nazis. Llevando su arte narrativo a un nivel insospechado, Krauss reúne pacientemente los elementos en apariencia dispares hasta convertirlos en una cautivadora metáfora de la memoria y de la herencia, no sólo material sino sobre todo emocional.
