

Mental health

By Jeremy Weinstein

Policy Press. Paperback. Book Condition: new. BRAND NEW, Mental health, Jeremy Weinstein, Mental health social work is at an impasse. On the one hand, the emphasis in recent policy documents on the social roots of much mental distress, and in the recovery approaches popular with service users seems to indicate an important role for a holistic social work practice. On the other hand, social workers have often been excluded from these initiatives and the dominant approach within mental health continues to be a medical one, albeit supplemented by short-term psychological interventions. Here, Jeremy Weinstein draws on case studies and his own experience as a mental health social worker, to develop a model of practice that draws on notions of alienation, anti-discriminatory practice and the need for both workers and service users to find 'room to breathe' in an environment shaped by managerialism and marketisation.

Reviews

Most of these ebook is the perfect publication accessible. It is written in easy terms and not difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Anastasia Kihn

Very beneficial for all type of individuals. I have got study and so i am certain that i am going to going to read through once again once again later on. I am just happy to let you know that this is basically the greatest publication i have study during my own daily life and could be he finest pdf for ever.
