Anness Publishing, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. This is a comprehensive how-to manual on tackle, techniques and locations, shown step by step in over 1200 pictures. It features over 1200 photographs and illustrations, including step-by-step instructional sequences throughout. It covers all the major species of fish, and gives information on their habitat and location, feeding habits and how to identify them. It includes details of the best lures and baits to use, with guidance for every level of angler, and clear, step-by-step instruction on tying flies. It offers expert advice on where to fish, what to fish for, the best fishing techniques for all kinds of species, and locations and tips on reading all types of water. Angling is one of the most popular sports around the world, giving thousands of hours of pleasure to fishermen and women of all ages and levels. Here is extensive expert advice on the best fishing techniques and locations, and how to select rods, reels, lines, flies and plugs as well as clothes and accessories for all situations. The various skills involved in freshwater, saltwater and game fishing are covered in detail, with diagrams and explanations of different techniques. The book includes an in-depth visual guide to the major species the angler is likely to encounter, with advice on recognition, size potential and feeding habits, together with professional tips of the trade on how to catch each type.
