

A World of Trouble: America in the Middle East (New edition)

Filesize: 2.43 MB

Reviews

I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.

A WORLD OF TROUBLE: AMERICA IN THE MIDDLE EAST (NEW EDITION)

DOWNLOAD

Granta Books. Paperback. Book Condition: new. BRAND NEW, A World of Trouble: America in the Middle East (New edition), Patrick Tyler, Today America's role as the dominant power in international relations is anchored in the Middle East as never before, but there has never yet been a single broadly accessible narrative of how American administrations since Nixon's have approached the region. This book tells that story for the first time. Drawing on three decades of first-hand experience both close to the circle of power in Washington and on the ground in the Middle East, Patrick Tyler will show how the region has emerged as the focus of American national interests, a battleground and occupation zone for 150,000 American troops, and a fount of global terrorism. "A World of Trouble" begins with the rise of the new secular nationalism among the Arabs and Nixon's entry into the Middle East, and takes in the fluctuating oil market, relations with the Saudi Royal Family, the Islamic Revolution that overthrew the Shah of Iran, the Iran-Iraq war, the spread of Islamic fervor through the region and the waves of violence that have followed. At each point, Tyler examines the motivation behind US policy decisions, from attempts to limit Soviet expansion to the slippery compromises made in pursuit of oil.
