Brand New Book ***** Print on Demand *****.In two widely disparate novellas, Muriel Maddox explores different times and different settings as she takes us from the present in Switzerland where a past secret endangers the present to the 1930s in Rio de Janeiro as the threat of war in Europe creates only one of the dilemmas for an American Navy wife. When his wife runs into an old friend and makes a lunch date with her, he quickly takes a steamer across to Saint-Gingolph. The secret he discovers there threatens to destroy the present.
