iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sweet sounds of innocence resonate in and through my being. I dream. I imagine infinite immensity. I create like light, like stars burning within deep space, penetrating the darkness, the nothingness. I transcend myself and believe for you. I give up myself and surrender in you. I reveal the universe blazing from within us, burning as a sun in a sea of cosmic phosphorescence. This is the galactic fire ablaze, illuminating your potential, the path I must now pursue. I leave my cage and enter your confines, and I remove your shackles, bear your burden, release your shame. It is here that I am God. I dream divine as the song of hope and faith and trust twinkle in the dark night. I no longer fear being free for I know myself. I know you. I find my home in you. I gather it all and bring it together in a boundless hug. I love. --from I Am You.
