But it is surprising to know that even though most gardeners are familiar with the term rhododendrons, and many of us are going to recognize a flower of this genus, when he received, comparatively few people realize the possibilities and scope of this genus in its magnificence and potential. The whole genus includes the original varieties and different species, as well as hybrids. The ancient Greeks and Romans knew about the value of these pretty flowering trees, and they gave this genus its name that has come down the centuries - Rhodon for Rose, and dendron for tree. But even...
