The immense government works, the waterpower system and canals, and Fort Brady, an American military post constructed in 1823, and the immense pulp mills (on the Canadian side) are among the special attractions which never fail to interest all comers. And now a word to those who think the voice of the sirens of old is yet heard amid the murmur of waters, and that never a bird, nor the sweetest singer that ever faced the footlights, had a voice to thrill like the whirl of the reel. In the several channels and amid the shadowed waters, where the rocks overhang the depths surrounding Grand Manitoulin and sister islands, and in the north channel between those isles and the mainland, lurks many a huge black bass, fit for a master hand to play to his doom, and worth a king s...
