

Hotter Than a Four-Balled Tomcat (Paperback)

By Jeff Callaway

Createspace Independent Publishing Platform, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is my personal opinion that Burroughs, Kerouac Rimbaud never died. A highly advanced alien civilization abducted them, extracted their DNA, genetically engineered Texas Outlaw Poet, Jeff Callaway. His first collection of poems, Party Fools, is a harrowing road-trip through the fragmented Texas psyche of an artist who has truly survived a season in hell. His graduate degree in poetry was earned in the bloodcurdling corridors of Huntsville State Prison. Like Jack Henry Abbott, Paul Verlaine other outsider artists before him - he has brought his prison ink lessons and a life spent-on-the-margins into gut-wrenching redemptive cinematic glory. I don t read poetry. And I read this electric collection in one sitting. - C.M. Talkington.
