

Pizza Pie in the Sky: A Complete Guide to Pizza (Paperback)

By Cooking Penguin

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This cookbook is a complete look at the making of pizza, from dough to finished pie. Focusing on technique and fundamentals, it will teach you how to prepare all of the famous types of pizzas such as hand tossed, deep dish, stuffed crust, calzone, grilled pizza, and dessert pizza to name a few. It also includes the outlines of toppings for some of the more archetypal pies such as the famous White Pizza and Pizza Margherita. After mastering the techniques and sauces here you will be able to make pizzas that far excel those of the famous chain restaurants in both flavor and appearance (of course homemade is always healthier, too). But remember, it is your pie, so don't let anyone else tell you what you should put on top of it and you won't have to eat humble pie!.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I actually began reading this article/pdf. It really is filled with wisdom and knowledge. You won't sense monotony at any time of the time (that's what catalogues are for concerning should you request me).
