By Nalin Kulatilaka

Oxford University Press, USA. Hardcover. Condition: New. 246 pages. Dimensions: 9.1in. x 6.2in. x 1.0in. In capital investing, as in life, you always have options. Corporate executives in finances, investments, and project management should share this book with decision makers in information technology, strategic planning, corporate restructuring, venture capital, and law. Through timely case studies, the authors show managers how to use real options to evaluate investments and create exit strategies in...
