Brand New Book ***** Print on Demand *****.Ever wonder if there was some truth to those embellished myths about the Greek Gods? Let your imagination soar at the possibility of an old world cover-up full of magic, mystery, murder, adventure and love. Of course, in reality, their true nature was that of Demigods. Intimidating and profound as they were, may have been the reason for their obscurity and humility! According to the Bible, there were giant men on the earth at one time. In this story, the time has come to elaborate a true to life episode of their possible existence. Take a journey back in time where Zunas and his friends live a life of apprehension intertwined with these half-blood angels. Although he does not understand - until the end, that time is a relative matter and his desire to stay in the life he d always known was about to change dramatically for him and his friends. When he begins a three-day episode for the truth about his missing friend and the history of their remote island, he discovers his passion and desires are quite different than he intended them to be. Some things come back, and some things are lost forever.
