In the history of mankind, sports occupy a very centre place in defining the era and cultures of a concerned time period. In ancient times, several sports sprouted up that have still existed, and some still keep themselves active. The Olympics has been with us for the last 3 millennia ever since Greeks ran the plain farms to engage the invading Persians, what we call as the battle of Marathon from which marathon itself got invented. In fact, nearly every sport we see today has had some kind of old connection with it. Soccer is a medieval era sport, cricket got invented during Victorian times, baseball after the civil war in America ended and not to forget, golf that has possible Roman origins.
