BUILDING STRONGER ACCOUNTABILITY

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Managing Performance in Victim Services | This action research examined current practices and organizational structures in obtaining data in relation to performance measurement and management within the Victim Services sector in British Columbia. Research in the area of performance measures and management is somewhat sporadic with limited research in the area of measures within the Victim Services sector. The literature review explored topics such as: organizational culture, performance management, and strategic planning because they all impact the implementation of such measures. The research...

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
