Netherlands Architecture Institute (NAi Uitgevers/Publishers), Netherlands, 2008. Paperback. Book Condition: New. 267 x 201 mm. Language: English . Brand New Book. Beyond the familiar Campbell s Soup cans, Brillo boxes, silkscreened Marilyn Monroes and floating silver mylar pillows, 20 years after Pop icon Andy Warhol s death, we are still picking through his incredibly prolific output to understand what his artistic legacy actually is. **Andy Warhol: Other Voices, Other Rooms**, published on the occasion of the major exhibition by the same name at Amsterdam s Stedelijk Museum, provides some new insight, digging into Warhol s lesser-known film, video and audio tape works. Important--and just a little scandalous--films like *Blow Job* and *Kiss*, audio tapes of celebrities, friends and anonymous hangers-on talking and other marginalia are considered alongside a selection of key photographs, drawings, screen prints and spatial installations, such as the spectacular *Silver Clouds*, originally shown in 1966. Edited by Eva Meyer-Hermann and with contributions by Geralyn Huxley, Greg Pierce and Warhol Museum Archivist, Matt Wrbican, who is currently unpacking hundreds of never-before-seen Warhol Time Capsules in Pittsburgh, this volume brings readers up to date with the most recent developments in the way we see the late artist s oeuvre.
