From Birth to Five Years with Access Code: Practical Developmental Examination

By Ajay Sharma

Routledge. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 9.6in. x 6.8in. x 0.5in. From Birth to Five Years: Practical Developmental Examination is a step-by-step how to guide to the developmental examination of pre-school children. This book has been developed alongside the original From Birth to Five Years as a companion volume that expands on the normative developmental stages outlined in Mary Sheridans pioneering work in the field, by offering practical guidance for health, education and social care professionals, or anyone concerned with putting the theory behind childrens developmental progress into practice in a real-life setting. This book is based on up-to-date research into current child development philosophies and practices, and aims to support the wider group of professionals that are required to assess childrens developmental progress as part of their day-to-day working practices. The book begins with a practical framework for developmental examination, then progresses through each of the key physical, cognitive and social developmental assessment areas, offering guidance on enquiry and observation, and how to chart typical and atypical patterns, with red flags for recognising significant delay or abnormality. Advice is also given on how to make sense of the findings and how best to communicate this information to...
