By Ian Watts Msyi

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 152 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Retail Loss Prevention in Retail Outlets concentrates on loss prevention techniques within and around retail outlets of all descriptions. This book, the third in the Retail Loss Prevention series, will give the reader ideas on how to identify causes of loss, design out loss and prevent loss in retail outlets. The book examines all areas of a retail outlet including the shop floor, cash areas, staff areas, stockrooms, back door and back yard. Case studies are included throughout the book to explain key points and concepts. Readers will easily be able to identify where most retail losses occur around their retail outlets and implement strategies to reduce those losses. Cost-effectiveness of the loss prevention effort within your retail outlet is emphasised throughout the book. After all, it's of no benefit to save assets in one area if you are going to waste them on ineffective or non-essential security measures. The book is written in an easy to follow style for readers of all levels of retail security experience. It is especially useful for retail managers who, although not security managers,...
