iUniverse, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What does the Bible teach? What did your parents teach you? Is your faith just a mirror of someone else s views? This book is about the challenge to separate and discover the truth for the student or reader. I grew up with so many different belief systems. Which one is right? By choosing to take a second look at the first impressions I was able to empower my own faith. By empowering my faith I was able to stand on a foundation of truth that made sense to me. This strength and empowerment can be yours by using this book as a guide. It is both simple to understand and easy to read, but challenging to find definitions in our life based on the Bible or tradition. Challenging your belief system allows you to personalize and strengthen your faith. Seeing your belief system in smaller pieces helps you sort out falsehoods of traditions past with the truth, resulting in a stronger system which can strengthen your personal relationship with God.
