Reviews

Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.
(Prof. Devon Bernhard PhD)

STUPID, SLOPPY, SLEAZY THE STRANGE STORY OF VANITY PUBLISHER OUTSKIRTS PRESS. HOW DO THEY STAY IN BUSINESS

Silver Sands Books. Paperback. Condition: New. 138 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Outskirts Press calls itself the fastest-growing full-service publishing provider. It published seven books in 2002, its first year, and over 5,000 books in 2009. Some of those books, and the press releases that promote them, are filled with silly errors that should have been avoided. When authors are disappointed and enraged, service reps hide behind the fine print of a contract that does not warrant that books will be error-free. Outskirts is also inept (and dishonest) when it promotes itself. Its website, emails, press releases, blogs and promotional literature have factual errors, mistakes in grammar, spelling and arithmetic- and deliberate distortion. Outskirts uses such grandiose phrases as a veritable army of publishing professionals to attract customers - but those professionals tell lies to make independent self-publishing seem much harder than it really is. Although Outskirts uses such buzzwords as self-publishing and print-on-demand, it's really a vanity publisher. Vanity publishers make most of their money by selling services and overpriced trinkets to naive authors - not by selling books to readers. The books are often ugly, unedited and overpriced. They sell poorly, and are seldom reviewed. This book was written to make potential customers of Outskirts Press and other vanity publishers aware of the trouble that likely awaits them, and to let vanity publishers know that their lies and failures will be noticed and publicized. It's also a very funny book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
