Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

KOBY S NEW HOME (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Koby s New Home takes a sometimes humorous, often unsettling and scary look at economic dislocation. And yet, that turns out to be the least of his problems. Through a series of strange and sometimes ominous incidents, Grabinski becomes even more anxious about his life in that complex. He starts to believe the entire building is corrupt, even destructive. Grabinski confronts haunting images: the elderly man in the dark, barren room, the children s dolls being burned in a demented nighttime ceremony, the mysteriously reappearing box of poison tablets, and, most eerily, the menacing figure that Grabinski comes to call Cigarette Man, who stalks him everywhere he goes. If Grabinski...
