Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Dark Ages: A Series of Essays, Illustrating the State of Religion and Literature in the Ninth, Tenth, Eleventh, and Twelfth Centuries Nearly eight years have elapsed since the first of the following essays was printed; and they have all been more than five years before the public. I wish the reader to be aware of this, not only because it may account for some references to matters which occurred during the period of their publication, but because it will Show that some things which may wear that appearance, are not in reality allusions to more recent occurrences.
