COLD READ (PAPERBACK)

Lojo Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Stepheie Graham volunteered to direct The Rainmaker at the historic Holland Theatre in Bellefontaine, Ohio, she might not have thought it all through. Like how hard it can be to find six male cast members for a small community production. But then Andy Tremont moseys into the audition-and into her heart. At first, everything seems to be coming together just fine . until it starts to fall apart. First, the female lead breaks her foot. Then Stepheie learns there are talks of selling the Holland to developers. And, in case things weren t difficult enough, the theatre might have a ghost named Juniper who s trying to keep Stepheie and Andy from getting together. There was, in fact, a Juniper who took the Holland stage in 1933 and sang about her broken heart, certain she had lost her chance at love. But maybe God has a plan for both women that is beyond what either could ever imagine.
