

Understanding Globalization, Employment and Poverty Reduction

By Lee, Editor) Eddy (Contributor

Palgrave Macmillan, UK, 2004. Hardcover. Condition: New. First Edition. 408 pages. Available Now.
 Book Description: Do accelerating trade and foreign direct investment--experimented by most developing countries in the 1990s--imply a positive, negative, or neutral impact in terms of employment, income inequality and poverty alleviation? This book provides some empirically-tested answers to this question using an open-minded, unconventional economic approach and deriving original policy implications. : Review: '[T]his collection makes serious analytical progress and is an important contribution to the literature.' - Economic Issues: 'A welcome study focusing on employment structure in developing countries.' - Hiroki Nogami, The Developing Economies: 'Overall, this book presents an articulated analysis of a key topic. The goals and the logic fo the analysis are clearly stated and appear reasonable. the volume represents a very useful tool for a wide audience.' - Matteo Cervellati, Rassegna Bibliografica: About the Author: EDDY LEE is Director of the International Policy Group at the International Labour Office in Geneva, Switzerland. He is author of The Asian Financial Crisis: The Challenge for Social Policy.: MARCO VIVARELLI is Professor of Economics at the Catholic University of Piacenza in Italy and Senior Research Economist at the International Labour Office in Geneva, Switzerland.
