Poisoned Pen Press, United States, 2009. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Praise for Dead Weight. Havill is every bit as good at evoking procedural detail as he is at capturing small-town ambience. a vivid picture of change in rural America: small-town values under siege from within and without as a big-hearted sheriff tries to keep the peace one day at a time. Quiet yet powerful human drama. -Booklist A well-seasoned sixty-nine, Sheriff Bill Gastner knows his Posadas, New Mexico, territory as well as he understands the foibles of the human condition. So when a backhoe crushes a man to death, it's more instinct than fact that leaves him feeling there's more to this accident than meets the eye. Adding to his problems, anonymous letters charging his best deputy, Tom Pasquale, with hustling Mexican nationals for cash are being dispatched around town. Gastner takes this one personally; he's fond of his deputy, but he does want the truth. He also knows it's an election year and dirty politics can happen anywhere. So can murder. Soon he's got not just one, but two dead bodies. And a strong desire to make sure that when he does retire, it's not by way of a well-aimed bullet. Steven F. Havill lives with his wife of 40 years, Kathleen, in Raton, New Mexico. The author of 21 novels set in the American West, he taught secondary school for 25 years and recently earned an AAS degree in gunsmithing.
