Xulon Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Government is totally out of control. Is there hope for America's future? Darkness falls over America. As ancient Rome, our Republic rots from within. Government corruption leads to citizen despair. It's our right, even our citizen duty to enforce the Constitution - but how? Secession, petitions, demonstrations, nullification, and anarchy are proven failures. At this point, voting is futile, also; the rare statesman has no chance against the corrupt supermajority in Congress. What can we do? This Bloodless Liberty presents an eye-opening glimpse at America's predator and parasite class including careers you never imagined are feeding the corruption. Debunking 10 lies that government uses to transform its sovereigns into serfs, AmericaAgain! founder David Zuniga shows how you can leave politics and join history's first neural network for self-government. We have lawful power to enforce our Constitution, if we will only have the wisdom to do so. The Internet offers liberty today as the printing press did 575 years ago. Two million children no longer attend schools yet are more familiar with civics and history than are most adults. Millions have lawfully stopped filing tax returns thus are no longer financing a crime cartel. The Tea Party movement has caused millions to see that both political parties are corrupt. If the Tea Party movement is today's Paul Revere, AmericaAgain! is Madison on a motorcycle. We The People can seize this historic opportunity to stop today's syndicate of politicians, financiers, bureaucrats, military-corporate moguls, and the massive parasite sector. Indeed there is hope. If we exercise courage and repentance, our best days may be ahead. If we fear God and not man, we can be AmericaAgain!.
