Harvesting Our Days is an invitation to take a life affirming journey through every one of your days, and to discover hidden or overlooked treasures right before your eyes. Our days come. Our days go. Unless something significantly different happens, one day may be virtually indistinguishable from the ones before and after it. Do you often feel that way? And if so, do you long to find more meaning in your days? If so, I invite you to come on a journey and discover how one seeker uncovered one treasure after another in her ordinary days-hidden treasure just waiting to be harvested. Come along and you may find that uncovering your treasure is as easy as quieting the discordant voices around you long enough to hear to hear God s voice within you.
