LES FINANCES DU CHILI DANS LEURS RAPPORTS AVEC CELLES DES AUTRES PAYS CIVILISES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Les Finances du Chili dans Leurs Rapports Avec Celles des Autres Pays Civilises Les frequentes revolutions, les sempiternels pronunciamientos des nations espagnoles, en y introduisant la desorganisation administrative et financiere la plus complete, ont fini par en detourner l attention de l Europe. On connait la legislation civile de la Republique d Andorre, la vie politique du Montenegro, et l on ignore presque absolument ce qui se passe aux bords du Pacifique. Bien plus, taudis que ces mouvements de caserne tournaient au mepris du nouveau continent, la banqueroute a peu pres generale de ses Etats a tue son credit a l etranger. Le lecteur ne manquera pas de se demander ce qu est un pronunciamiento qui produit de si facheux resultats. Un remarquable publiciste francais, en parlant de l Espagne, a defini ce mouvement caracteristique de la race espagnole, en disant que c est un etat militaire qui, s il reussit, fait avancer d un grade tous les militaires qui y prennent part. Et il ajoute qu il y a eu de ces officiers qui ont fait leur carriere en se prononcant tantot pour un parti, tantot pour un autre d idees contraires. Avec un peu trop d exageration, ce nous semble, il compte 50 pronunciamientos en Espagne dans une periode de 40ans! Cet etat, naguere chronique dans la Peninsule et tres rare en France, est encore la vie normale des anciennes colonies espagnoles, sauf de rares exceptions. Nous croyons cependant que l opinion europeenne juge trop severement ces insurrections. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
