A NIGHT OF PASSION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Love is a force that can engage as well as disengage the unimaginable. Johnny and Angel are in love, their relationship is so strong to the point that Johnny asked her to come over to his apartment so he would be able to attend to her wounds which she sustained not quite long from the time of the invitation. As fate would have it, the two lovers had to part for a while when it was expedient that Johnny goes on a raid, he thought of taking Angel along because of her wounds and because she just came to his place, and perhaps, not adapted to the environment yet. It will be stupid however on the part of the duo to go on a raid together in the main because Angel has never gone on such raids and her wounds wouldn't allow her. Johnny went on the raid alone, and he came back to find their love still as strong as the rocky mountains of Colorado, and they subsequently threw themselves into bouts of sexual ecstasy, suffice it to say that they lived happily ever after. This story will get you sitting on the edge of your seat until you are done, and you will definitely read it over and over again until you can recite the words in your sleep, even on a night of passions.
