Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

BASIS OF TRADITIONAL CHINESE MEDICINE (PAPERBACK)

Shambhala Publications Inc, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The two-thousand-year-old discipline of traditional Chinese medicine has much to offer Western readers who have an interest in the healing arts. The authors, both professors at Shanghai Medical University, explain the fundamental concepts of Chinese medicine, how and why it works, and its various therapeutic methods. This comprehensive survey includes all the essentials: a brief history, the concepts of yin and yang and the five elements, the internal organs, the relationship between human beings and nature, the causes of disease, common diagnostic methods, and the principles of treatment, including traditional herbs, acupuncture and moxibustion, tui-na massage therapy, and qigong breath therapy.
