

Tales of the Quest (Paperback)

By Katherine Woodbury

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ah, the Quest! The sight of noble knights setting forth on heroic tasks to win the hand of the fair princess stirs any heart. Here are the medieval heroes who once donned clanking suits of armor to fence, joust, and battle fire-breathing dragons for honor and acclaim. That is, until the tasks got too messy, too inconvenient, too strange. And the armor way too heavy. To be sure, talent and determination still count. But the Quest just as often becomes a tool of trade and diplomacy, with fortunes and royal reputations weighing in the balance. Immerse yourself in chronicles of desperate princes, strong-willed princesses, and romantic beasts. This fourth installment in the Roesia series pulls together new and previously published stories of questing daring-do updated for the modern age. Amidst all the politics and game playing, can true love still triumph? Therein lies quite the tale.
