Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lyric picks up where she left off, in the hotel room of Big Tuck, the City's most ruthless drug Lord. She sets up him with sexual advances to take his mind off of why she really came; to carry out revenge on him for killing Junie, her longtime boyfriend. As she has intertwined in a menage trios, she suddenly reaches for a pistol and instead of waiting for her new found boyfriend Nas, she takes it upon herself to eliminate Big Tuck. Eight months later, she gives birth to a baby but questions whether the child belongs to Nas or if it was the product of the rape she experienced in Chicago, but when he is born that is all laid to rest. They decide to name the baby, Prince Nasir Jones, as the child bears an uncanny resemblance to her deceased boyfriend, Junie, which also happens to be Nas's estranged brother. Together, Nas and Lyric began their reign as King and Queen of the City's drug game while simultaneously becoming two of the most feared people within the City's limits. Nas's overt hardcore mentality seems to coincide perfectly with Lyric's subtle, yet thorough aggression. Suddenly, a traumatic event involving Prince causes a rift between them and the couple that was so in love with each other becomes dangerously toxic. Join Lyric in this heart racing, hood thriller as she faces enemies from every direction in this banger, Queen of the City 2.
