Vintage Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. \*\*\*Winner of the Bord Gais Energy Irish Book Awards - Newcomer of the Year\*\*\* One of the year s most arresting, humbling and acute memoirs. It is a catch-in-the-throat, life-affirming work that you want to gulp down in one and recommend to all your friends. Fitzmaurice tells her story in sparkling prose that is as sinewy as her new sea-strengthened body, and as admirable and boundless as her spirit Sunday Times Ruth s tribe are her lively children and her filmmaker husband, Simon, who has Motor Neurone Disease and can only communicate with his eyes. Ruth s other `tribe are the friends who gather at the cove in Greystones, Co. Wicklow, and regularly throw themselves into the freezing cold water, just for kicks. `The Tragic Wives Swimming Club , as they jokingly call themselves, meet to cope with the extreme challenges life puts in their way, not to mention the monster waves rolling over the horizon. Swimming is just one of the daily coping strategies as Ruth fights to preserve the strong but now silent connection with her husband. As she tells the story of their marriage, via diagnosis to their current precarious situation, Ruth also charts her passion for sea swimming - culminating in a midnight swim under the full moon on her wedding anniversary. An invocation to all of us to love as hard as we can, and live even harder, I Found My Tribe is an urgent and uplifting letter to a husband, family, friends, the natural world and the brightness of life.
