Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Peter Schlemihl in America It has been my purpose to present, in a form likely to attract attention, topics of general interest. In doing so, I have suppressed many things which would have given brilliancy to the coloring, and added depth to the shadows, and so have brought out in stronger relief the several subjects I have attempted to portray. I have been guilty of no exaggeration - I have not, to use the saying of an old author, either dug out hell, or blackened the face of the devil - the public will not bear the whole truth. There are some scenes and subjects which, had they been written out, the outline, as it lay in my mind, would have been filled up. To you, my dear friends, these pages will come with an interest few, beside yourselves, can find in their perusal. They will remind you of one who has been made happy by the unvarying manifestations of your friendship - the growth of many years. As a family we are never more to meet. The light of our home circle has been hid from our eyes. She whose smiles cheered, whose wit enlivened, and whose sympathies sustained us, sustains, enlivens and cheers us no longer. Her sun has gone down while it was yet day; but we hope to meet at Our Father s table in heaven, thence to go out no more forever. Our Journey of Life must soon terminate: to some of us the way will be dark and solitary - a pilgrimage renewed and sustained with no kind auspices.
