Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Little Nature Studies for Little People, Vol. 1: A Primer and a First Reader This book is intended as primary text-book in Science and Reading. The motive in it is to introduce teacher and pupil to a mutual love for the woods and fields, to the study of animals and plants, to the observation of real things in life, and to the methods of a true naturalist. It should take teacher and pupil out of doors, into the open air, and to the heart of nature. Incidentally it will doubtless lead to the acquisition of the power to read and to a taste for the quiet and elegant literature of a pastoral writer. M. E. Burt, Editor. Thanks are extended to Messrs. Houghton, Mifflin Co., for such extracts as they have permitted from their copyrighted editions of the Essays of John Burroughs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
