Die Inhalte wurden mit den Palstinensichen Kollegen diskutiert und in Gruppen bearbeitet. , abstract: Preamble Participation is no usual, conversational term in the German nursing language. Translated as part taking and co-determination participation means the political co-determination of the public in bills and in democratic elections. If the German nursing literature and language speaks of participation we rather use terms like patient self-government and self-determination which mean cooperation or participation in nursing and caring processes. Saunders (1995) who explicitly uses the term of patient participation defines it as active process of participation in and advancement of therapeutic or general self nursing abilities or the participation in decisions concerning from reception to dismissal My presentation follows the central Theme Participation in this way of definition. This issue will give you an overview about the concepts of Participation in the vocational training...
