

No Longer Hidden (Hardback)

By Bathsheba Jannice Smithen

Profoundthought Press, 2012. Hardback. Condition: New. Brian Evans (illustrator). Language: English . Brand New Book ***** Print on Demand *****. As a complement to my book Who Cares What You Think. So What You Think?, No Longer Hidden is an account of my journey through life, captured in metaphorical images and lyrical format. Poetry permits a person to see through a kaleidoscopic lens as the sequence of life events presents challenges that would be unbearable if not written in a melodic form. Where the book serves as a cutting board for me, a space for dissecting my innermost feelings, it is also an entree served to the reader, since one may be able to absorb secret truths as he or she ingests each piece of poetry.

A very wonderful pdf with perfect and lucid explanations. This can be for those who state that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.
